

Saros Consulting

Saros Consulting is a global leader in IT consulting and strategic project management. We partner with the world's most recognised brands to deliver complex, business-critical technology programmes. Our presence is global, with headquarters in Dublin and offices in the UK, Switzerland, and the USA. We combine specialised knowledge, a vendor-agnostic approach and proven delivery excellence to help organisations navigate their most complex IT challenges.

We provide the insight, governance and execution needed to turn strategy into long-lasting, measurable results. We manage multimillion-euro portfolios across public and private sectors. We ensure seamless integration and optimisation of technology investments. Led by highly experienced consultants, our approach is agile and delivers the quality outcomes enterprise IT leaders expect.

We transfer knowledge, equipping your team with the skills to succeed long after the project is complete. This approach is underpinned by our deep expertise in **global infrastructure upgrades, AI governance and strategy, M&A integration, cybersecurity, service transition, digital transformation**, and more.
